

Agglomerators: Chain Drive

Westpro's durable, high horsepower chain drive system is ideal for rock & ore agglomeration. Our efficient chain drive agglomerators provide the most economical choice for Heavy duty applications.

ADVANTAGES

- Durable design
- High tonnage applications
- Long life cycle
- Low Maintenance cost

FULLY CUSTOMIZABLE

SIZING CHART (CHAIN DRIVE)

Model	Size (Diameter X Length)	Copper Leach (TPH)	Gold Leach (TPH)
AG310CD	3' X 10'	15-22	18-26
AG416CD	4' X 16'	45-65	50-75
AG518CD	5' X 18'	80-110	90-130
AG622CD	6' X 22'	135-195	155-230
AG724CD	7' X 24'	200-285	230-345
AG830CD	8' X 30'	325-470	375-560
AG930CD	9' X 30'	415-590	475-710
AG1030CD	10' X 30'	510-730	585-875
AG1140CD	11' X 40'	825-1180	940-1413
AG1233CD	12' X 33'	810-1156	925-1390
AG1240CD	12' X 40'	980-1400	1120-1680
